Job Description

Job Title: Communications Design Specialist
Department: Creative Services, University Relations
Reports To: Associate Director, Creative Services
Jobs Reporting: none
Salary Grade: USG 9
Effective Date: March 1, 2017

Primary Purpose
The Communications Design Specialist is responsible for designing, creating, and executing, high-quality, cutting-edge marketing materials for campus partners in order to support and elevate the University of Waterloo's brand and strategic goals on all levels. As a brand ambassador, you will collaborate, inform and guide the campus community to best promote the University as a global leader in post-secondary education.

Key Accountabilities
List the major responsibilities of the job, divided into 3 to 5 broad categories. These should reflect 80 - 90% of “what” the job does not the “how”. Insert a category heading and in bullet form below, state specific responsibilities.
