

Job Description

Job Title:	Assistant to the Chair
Department:	Electrical & Computer Engineering
Reports To:	Chair, Electrical & Computer Engineering
Jobs Reporting:	None
Salary Grade:	7
Effective Date:	September 2017

Primary Purpose

The Assistant to the Chair (Assistant) provides executive level support to the Chair and is responsible for ensuring the smooth operation and confidentiality of the Chair's Office. This position is accountable for managing the faculty appointments, administrative appointment, tenure and promotion procedures, including annual review process, sabbatical and other leave applications. This position provides continuity through academic leadership changes.

Key Accountabilities

Executive Administrative Support

- Provides comprehensive assistance to the Chair to meet the teaching, outreach, public relations, and research activities and goals of the Department;
- Organizes the Chair's schedule and coordinates often unexpected changes to detailed arrangements;
- Keeps the Chair apprised of priorities or urgent matters requiring immediate attention and in the absence of the Chair, responds as appropriate;
- Liaises with faculty, staff, students, alumni, external partners and employs appropriate protocol with dignitaries and international guests;
- Handles difficult situations with discretion and confidentiality, including the need for urgent meetings and dealing with distressed students;
- Maintains confidentiality concerning details of the Chair's discussions and correspondence;
- Organizes agendas, support materials, and creates briefing notes for the Chair prior to meetings;
- Provides technical writing and proofreading for the Chair;
- Ensures the effective functioning of the Chair's office through meeting management, document creation (e.g. draft correspondence, briefs, presentations, etc.), and travel arrangements.

Faculty Relations Administration

- Assists the Chair with the recruitment, appointment, evaluation, promotion and retention of faculty;
- Coordinates advertising of vacant faculty positions and works with four Department Advisory Committee on Appointments (DACA) chairs in the recruitment of new faculty hires;
- Maintains the department Faculty Position Application (FPAS) system and ensures completeness of applications and submitted documents;
- Coordinates applications for new or vacant faculty positions, and prepares acknowledgement and rejection letters;
- Coordinates interview process, schedules candidate visits, including travel arrangements and reimbursement claims;
- Prepares package for full-time faculty appointments and assists the DACA Chairs in the preparation of UARC documentation;
- Maintains database of statistical data for the various DACA chairs;
- Liaises with the university Immigration Specialist regarding immigration requirements for academic appointments;
- Prepares sessional teaching, lab instructor and teaching assistant contracts, and research professor, cross and adjunct appointments;
- Provides an orientation to new faculty members and ensures that all support services are arranged;

<p>Experience</p>

Job Description

- Five years administrative support experience in progressively responsible positions, preferably in an academic environment.
- Experience with the application and interpretation of policies and procedures is necessary, preferably within an academic environment.
- Proficiency in using Microsoft Office, email, calendaring, and database systems.
- Demonstrated experience with taking minutes.

Knowledge/Skills/Abilities

- Excellent verbal and written communication skills.
- Must possess cultural awareness, sensitivity and patience to communicate and interact effectively with a wide range of people whose first language may not be English.
- Excellent interpersonal and relationship-building skills with a demonstrated ability to work harmoniously with a variety of groups with professionalism, tact and diplomacy.
- Demonstrated ability to maintain high levels of confidentiality dealing with sensitive matters with discretion.
- Problem solving skills, sound judgement and initiative with the ability to make decisions independently.
- Thoroughness, accuracy, and attention to detail is essential.
- Ability to work well under pressure of high volume and frequent interruptions, ability to stay calm during challenging times and periodic pressure.
- Willingness to adapt to changing priorities, schedules, and procedures with flexibility.

Nature and Scope

Contacts:

S/he communicates with all stakeholders of the department to deal with, influence, discuss information, and resolve sensitive matters. Responsibility to develop and maintain cooperative and productive working relationships with diverse stakeholders is a key mandate of the role. Dissemination of inaccurate information may lead to the need for intervention to repair relationships or correct mistakes. Internally, communicates with faculty members, administrative staff, students, Dean of Engineering and Provost offices, Secretariat, Office of Research, Finance, Catering, and Human Resources. Externally, deal with prospective faculty, alumni, government agencies, industry contacts, visitors, caterers, hotels, etc.

- **Level of Responsibility:**

The incumbent must possess good judgement, initiative and flexibility to adapt to problems, or last minute changes and identify contingency actions or alternative plans. Works with a high degree of autonomy on matters related to faculty appointments, tenure and promotion proceedings, annual faculty reviews, leave applications, and other procedural matters. Responds to queries and requests for information, requiring a thorough understanding of University policies and procedures on faculty relations.

- **Decision-Making Authority:**

Identifies and resolves problems either independently or in consultation with senior administrators on complex issues. Answers inquiries about Department and university procedures and policies. Refers atypical problems to the Chair or Administrative Officer.

- **Physical and Sensory Demands:**

Must possess mental fortitude and patience in cross-cultural and inter-personal relations with an international clientele. Must listen carefully to client concerns or circumstances and reading into and between the lines of emails or correspondence to identify the issue/problem daily.

- **Working Environment:**

This role involves psychological risk resulting from unavoidable exposure to disagreeable situations and deals with people who are upset, frustrated or angry, in crisis, or with people who have mental health concerns. Works with confidential academic information, which may involve personal or health issues requiring sensitivity and tact. Provides information or explanations that may not be well received by the recipient. There may be ambiguity of situations and shortcomings in data, and some internal clients may be demanding, may request breaking policy, and some situations may require escalation. This role involves dealing with a variety of tasks; frequent interruptions and adjustment of priorities, and meeting multiple, conflicting and/or tight deadlines beyond one's control. Responds to time-sensitive situations where there is a lot of pressure to find a solution quickly. May occasionally require work outside of regular business hours.
