Job Description

Job Title: Administrative Coordinator
Department: Dean of Mathematics
Reports To: Administrative Manager
Jobs Reporting: N/A
Salary Grade: USG 5
Effective Date: November 1, 2017

Primary Purpose
The Administrative Coordinator is responsible for providing general administrative support to the Faculty, department/School, and its faculty members. The position is housed in the Dean of Mathematics Office. However, the services provided by the individual may be in any of the departments/School within the Faculty. This position is designed to provide continuity to the Faculty during temporary vacancies. The intent is that the individual will be assigned by the Administrative Manager to an area of need within the Faculty, for a period ranging from several weeks to several months. Depending upon the need, the incumbent’s time may be split between two different areas of need spending a portion of their work week in each of two different areas. In the event of a temporary vacancy, the incumbent will be assigned to a specific supervisor for functional direction. That supervisor has responsibility to ensure that the duties assigned are consistent with the accountability level and qualifications of the incumbent. For purposes of performance evaluation, the Administrative Manager will solicit input from the assigned temporary supervisor.
